SGA Meeting Review
Authored by Sam Moore

September 14, 2006

NOT PASSED

1 Let it be remembered and noted that:

2

3 Drury's SGA was established for the betterment of the day-school population,
4 and to serve a forum to address the rights and concerns of said populous.

5

6 Let it be resolved then:

7

8 To bring about better facilitation of our goals, the SGA of Drury should move
9 meeting times to a more producing time that is conducive to the accomplishment
10 of said goals.

11

12 Let it then be formally recommended that:

13

14 Drury SGA should move meeting days and times as early into the week as may be
15 found possible i.e. Mondays at 6pm, Tuesdays at noon or 6pm, or such a time as
16 can be agreed upon by the General Assembly of the Drury SGA.
