February 8, 2007

1 WHEREAS the Student Government Association of Drury University is the official
2 voice of the students, and

3
4 WHEREAS a fitness center is essential for the health and well-being of the Drury
5 community

6
7 WHEREAS the student body, faculty, and staff of Drury University are
8 overwhelmingly in favor of increasing hours of operation at the Barber Fitness
9 Center and Breech Pool, and

10
11 WHEREAS the current hours of operation are inadequate in accommodating the
12 health needs of the Drury community, and

13
14 NOTING that the fitness center closes at 8 PM on weekdays and is closed on the
15 weekend, and

16
17 FURTHER NOTING that the students, staff, and faculty of Drury University are
18 currently being denied sufficient access to facilities that should exist to improve the
19 wellness of all who wish to use said facilities, and

20
21 FURTHER NOTING that it should not be the responsibility of Student
22 Government Association to allocate monies toward the cost of operating and
23 maintaining the fitness center

24
25 THEREFORE, BE IT RESOLVED that responsibility for funding an increase in
26 Barber Fitness Center and Breech Pool hours lies with Drury University
27 Administrators and not the student body, and

28
29 BE IT FURTHER RESOLVED that the Drury University Student Government
30 Association demands that the Administration of Drury University examine the
31 current University budget and increase the hours of operation at the Barber Fitness
32 Center and Breech Pool.
