

LOTL Budget Request

Fiscal Period (February - June 2010)

LOTL would like to sincerely thank the Student Government Association for their numerous contributions over the years in allowing us to bring our knowledge and talent to the Drury University community. Our work is continuously greatly appreciated by the students, faculty and staff. This semester we will continue to provide invaluable learning opportunities, immature humor, and other immeasurable benefits.

We realize that SGA is currently in a sticky situation when it comes to funding student organizations this month. We must, however, maintain that our organization should be treated with the unprecedented priority in so far as much as to run a fiscal deficit to sustain our operation. Please consider the following items as necessary to our sustained supremacy as the most active and effective student organization. Besides, Dr. Peter Browning loves us...

*We realize that SGA does not normally allocate for alcoholic beverages. We simply promise to consume all hard liquor in a way that does not conflict with Drury's policies.
